The first record of *Sicus alpinus* STUKE from the Pyrenees (Diptera: Conopidae)

[Erster Nachweis von *Sicus alpinus* STUKE aus den Pyrenäen (Diptera: Conopidae)]

by

Jens-Hermann STUKE and Gerard PENNARDS

Leer (Germany)

Amersfoort (The Netherlands)

After the preparation and identification of Conopidae in the collection of the second author, the following remarkable record of *Sicus alpinus* STUKE, 2002 has been found:

FRANCE: 1 ♀, 27.vi.1998, Forêt de Boucheville, Pyrénées-Orientales, leg. 'DIERTAXONOMIE' (University of Wageningen), coll. G. PENNARDS. The material was collected in the neighbourhood of Fenouillet at an average elevation of 1042 m a. s. l. (42°45'N 02°22'E).
